MESSAGE FROM THE PRESIDENT'S DESK

Imparting education has been a challenge during the pandemic situation. It was made possible with whole hearted co-operation of the teachers, parents and the students. With the introduction of the online classes, every effort was made to provide a stable platform to those concerned.

The problems of the parents and teachers were addressed and we tried to make education available to the students in a congenial atmosphere.

Now that the situation seems to be conducive education is hoped to be carried out in its natural spree.

SD. DEVINDER SINGH BENIPAL

MESSAGE FROM THE VICE PRESIDENT'S DESK

I am happy to state that in spite of the pandemic situation we have been able to expand our school and improve the infrastructure. This has been possible due to te concerted efforts of all concerned. We have also increased the faculty members for the benefit of the students. Through inclusion of several subjects and co-curricular activities we are trying to bring out an all-round development in students.

With the improvement of the pandemic situation we hope to hand over the school building and the field to their rightful owners- the students; in the near future.

SD. INDERPREET SINGH SAHAULI

Hopefully, now that the time has come to get back to school again with all its regimen, the students should be happy. They should get habituated to their old practice of attending school in person. They should learn to do away with the practice of handling the phone and concentrate more on regular classes.

We are publishing the monthly E- Bulletin to make everyone aware of the regular activities of the school.

This yearly magazine -SIMRAN is to nurture the creativity of students.

SD. SHAMSHER SINGH

MESSAGE FROM THE GENERAL SECRETARY'S DESK

With the induction of the NEP 2020 during the pandemic situation more responsibility has been thrust on us-the champions of education.

The learner and the learned will have to adjust to the new circumstances of teaching and learning.

The Government has universalized education from the pre-school to the secondary level with 100% Gross Enrolment Ratio in school education by 2030.

We have noticed the problems students and parents endured during the COVID-19. So we will take the initiative to impart education in a more holistic manner and give better opportunities to students.

SD. GURDEV SINGH LAPRAN

MESSAGE FROM THE PRINCIPAL'S DESK

The publication of our Annual School Magazine SIMRAN is to celebrate the many accomplishments and achievements that have been made by the students and staff of Khalsa Model Senior Secondary School, Dunlop in the past year. It was a year of achievements and victories, of facing new challenges and reaching greater heights.

School Magazines have a great educational value. They encourage students to think and write. In Fact the young talents find first exposure through this medium.

"Hope is the companion of power, and mother of success; for who so hopes strongly has within him the gift of miracles." – Samuel Smiles

This year the theme of the magazine is "Hope for the Future" Hope is a source of energy. It helps us to see something better up ahead and to put one foot in front of the other to move forward.

Teamwork is the hallmark of KMSSS. I appreciate the efforts put in by our wonderful team of students, teachers and the unstinting support of the Management for making this a truly successful year for all of us. In this pursuit of excellence, I appreciate our parent fraternity for supporting the school in every aspect.

Happy reading!!

Dr. Gurmeet Kaur Arjani

MESSAGE FROM THE VICE-PRINCIPAL'S DESK

The pandemic has taught us to evolve and adapt ourselves with the technology in every aspect. Education system has brought a drastic change among the students both in academic and co- curricular activities.

The school journal 'Simran ' has been continuing its journey successfully in every challenging circumstances. This yearly journal reflects the effort of all the members of this school and going through it will give immense pleasure to the readers.

I express my thankful note to all the editorial team members, staff members, students and parents who have supported us in disseminating the school magazine ' Simran' 2021-2022.

I would like to thank the managing committee members for their kind cooperation in releasing this journal.

MESSAGE FROM THE EDITORIAL BOARD

Due to the existence of Pandemic situation the kindergarten children did not experience school. All their activities and creativities were carried out at home with a little help from their parents. Hence it has been our endeavour to bring out the natural qualities of the tiny tots through various competitions throughout the year-keeping in mind, the all-round development of the child. This E-SIMRAN is the manifestation of the talents innate in the children.

MESSAGE FROM KINDERGARTEN INCHARGE

"Thinking is a deliberate exploration of experience for a purpose."

--De.Bono.

It is with great pleasure I acknowledge the efforts of Kindergarten students and teachers alike.Our school magazine has shaped into a perfect combination of thoughts and activities with an objective of development of mind and heart.

In the 21st century,the Digital Revolution has affected us all.In such a surrounding when work and effort is valued,the child's self -esteem is heightened,and from this results self - motivation.

Today as we march towards the new era of Digital Education ,we pledge to work for every child and in the process,open new vistas in the area of education.

" With warm wishes and God's Blessings".

Mrs. Harjinder Kaur Grewal

The Greatest Invention in the World is the Mind Of A child

Thomas A. Edison

Nurturing the creative mind of future change makers is a privilege. Each child is born with innate talents that needs honing with time. It is important to recognize and guide the child in upgrading their talents. Indeed, it's a delight for us to see the little one flourishing and sharpening the skills.

Our school magazine is a medium that brings out the hidden talents of children. It provides a platform for the students to express their imagination and creativity in the form of drawing, craftwork, dance or poem. In spite of the pandemic situation we are fortunate to present the positive attitude, hard work and sustained efforts of our children through their excellent works. One of the challenges for all of us in this pandemic has been to balance between working from home and ensuring our children stay on track with their learning.

I would like to take this opportunity to thank the parents for their immense support towards the teachers. The pandemic period presented an opportunity for parents to be engaged in the lives of their children like never before. With schools closed, parents have had to take up the role of being both parent and teacher. E magazine would not have been successful without the unconditional support of the parents.

Happy Reading .....

'With best wishes'

Reema Ganguly

"For a small child there is no division between playing and learning between the things he or she does, 'just for fun ' and the things that are educational. The child learns while living and any part of living that is enjoyable is also play".

These words by Penelope Leach gives us a picture as how a child learns at every step.

The school is a platform where the kiddos get ample of opportunities to perform. The reflection of the tiny tots and the teacher's creativity is the epitome of the magazine. They take great initiative in the variety of activities to nurture the students with the basic system of education.

I hope this magazine will take the readers to a different world in which our tiny tots have put their best effort at every step.

I express my heartfelt thanks to all the members who are associated in publishing the magazine 'E-SIMRAN' 2021-22.

With best wishes

TEACHER'S CORNER

A wonderful offbeat journey

This year just after Puja vacation we three of the teachers of Kindergarten section planned a short trip to an offbeat location with our family during winter vacation.

On the scheduled date we boarded the train from Sealdah. Next morning we reached the beautiful Siliguri city .With a little bit of refreshments we started our journey to Tinchulley. It was very cold around 3-4° degrees .We enjoyed the journey surrounded by great Himalayan mountains and beautiful tea gardens.

After 3-4 hours we reached our small homestay at Tinchulley with 2 picturesque cottages in the lap of nature.

The people there welcomed us and served hot lunch. That time we were spellbound to see the beauty around. But the evening was very cold. Next day we went for a sightseeing around that spot. We have taken very famous Darjeeling Momos with awesome red handmade sauce .

Our next destination was Darjeeling which was all white with plenty of snowfall. We experienced a beautiful continental lunch at Keventers and bought some yummy cookies and cakes from Glenaries. Roaming around the beautiful and busy Mall area we have done some shopping also.

Next day our journey ended and we prepared for our return journey.

The trip was really very wonderful and refreshing.

Sumana Mukherjee

ऑनलाइन क्लास के फायदे तथा नुकसान

प्राकृतिक आपदा या आपातकाल की स्थिति में ऑनलाइन अध्ययन की प्रक्रिया का महत्व और भी बढ़ गया है। ऑनलाइन अध्ययन की प्रक्रिया स्कूली शिक्षा के लिए एक सुरक्षित विकल्प है।यह बहुत सुविधा जनक उपयोग है जिससे बच्चे अपने घर में रहकर अपनी पढ़ाई कर सकते हैं। आप क्लास रूम की तरह यहाँ पर भी एक दूसरे से सवाल जवाब कर सकते हो। इस ऑनलाइन शिक्षा के चलते बच्चों की पढ़ाई में कोई भी रुकावट नहीं आई। वैसे ऑनलाइन शिक्षा के आने से देश में पढ़ाई के क्षेत्र में एक नया रास्ता खुल गया है और आने वाले दिनों में इसका विस्तार होने की पूरी संभावना है।ऑनलाइन अध्ययन की इन ऑनलाइन क्लासों के चलते बच्चों की यात्रा का समय बच रहा है, जो बच्चे पढ़ने के लिए अपने घरों से बहुत दूर स्कूल जाते हैं जिससे वह थक जाते हैं और अपनी अतिरिक्त पाठ्यक्रम गतिविधियों पर ध्यान नहीं दे पाते| ऑनलाइन क्लासेज से अब उनके पास इतना समय होता है कि बच्चे वीडियो चैट से क्लास कर रहे हैं जिससे वह तकनीकी तौर पर निपुण हो रहे हैं, यही वज़ह है कि आज की तारीख में तकरीबन सभी बच्चों को गैजेट की अच्छी खासी जानकारी है, कि वह अपनी रुचि की चीजों में ध्यान लगा सकते हैं, इस प्रक्रिया में कई लाभों के अलावा कुछ नुकसान भी हमारे सामने प्रस्तुत हुए ,जिस तरह वास्तविक कक्षा में जो उत्साह का वातावरण होता है उस वातावरण का अभाव दिखा ।

जहाँ कई विद्यार्थी स्कूल में जाकर अपनी पढ़ाई पर सही तरह से ध्यान नहीं दे पाता,तो ऑनलाइन शिक्षा में कहाँ ध्यान दे पाएंगे ,उसमें वह डर नहीं रहता जो कि स्कूल में पढ़ाई करते वक्त रहता है ।ऑनलाइन शिक्षा में विद्यार्थी कई तरह के बहाने बनाकर बीच में ही अपना पाठ छोड़ देते हैं,जो कि गलत है और मोबाइल पर खेलों और अन्य गतिविधियों में व्यस्त हो जाते हैं ।ऑनलाइन पढ़ाई के दौरान बच्चों को ज्यादा देर तक स्क्रीन पर आंखें टिका कर रखनी पड़ती है, जिससे उनकी आंखें खराब होने का खतरा बढ़ जाता है। ऑनलाइन क्लास के दौरान तकनीकी खराबी की वजह से बच्चे किसी विषय की अहम जानकारी से वंचित हो सकते हैं ।दोस्तों जिस तरह एक ही सिक्के के दो पहलू होते हैं उसी तरह ऑनलाइन क्लास के फायदों के साथ-साथ कुछ नुकसान भी हैं इसलिए दोस्तों अच्छे बुरे के साथ- साथ चलते रहना ही जिंदगी का नाम है।

Bhagwant Kaur

আমার চোখে আমার বিদ্যালয়

লকডাউন শুরু হওয়ার পর যখন আর স্কুলে যেতে পারলাম না ,তখন মাঝে মাঝে মনে পড়তো পুরনো দিনের কিছু স্মৃতি। আমি এখন যে স্কুলের শিক্ষিকা সেই স্কুলেরই ছাত্রী ছিলাম।

কেজিতে ভর্তি হয়ে যখন স্কুলে ঢুকলাম তখনো বুঝিনি এই কয়েকটা ঘর নিয়ে ছোট স্কুলটা এইরকম মহীরুহ রূপে পরে প্রকাশ পাবে। জীবনের প্রথম দিকেই অসাধারণ অভিজ্ঞতা হয়-- যেমন শিক্ষিকাদের প্রাণপণ চেষ্টা পড়ানোর ও ভালবাসা, তেমন দিদিদের যত্ন করে দেখাশোনা করা- কখনোই মনে হয়নি যে আমি একটি অন্য জায়গায় বাড়ি থেকে বেরিয়ে পড়াশোনা করতে এসেছি..

ভালো পড়াশোনার সুবাদে ৫০% মাইনে মাফ করে দেয়া হয়েছিল এবং প্রতিদিন লঙ্গরে খাওয়া -মনে হত যেন এক রাজার প্রাসাদে ভ্রমণ করতে এসেছি।

হয়তো মনে হচ্ছে একটু বাড়িয়ে বলছি, কিন্তু না এটা ১৯৮৯ সালের কথা। ত্রিশ বছর পার হয়ে এসেছি..... তারপর বহু বছর শিক্ষকতা করে যখন নিজের স্কুলে এলাম, শিক্ষকতার সুযোগ পেলাম তখন যেন আর এক জীবন শুরু হলো।

নিজের কাছে নিজেই বলি ,খালসা শুধু একটি প্রতিষ্ঠান নয় এটা এক মন্দির - যা উদারতা একতা ও ভালবাসার মেলবন্ধন ।

Nilima Ghosh

ਮੈਂ ਰੋਜ਼ ਪੱਗ ਬੰਨ੍ਹਾ

ਦਸਤਾਰ ਮੇਰਾ ਕਿਰਦਾਰ ਦੱਸੇ, ਇਹ ਮੈਨੂੰ ਸਰਦਾਰ ਦੱਸੇ ।

ਮੈਨੂੰ ਕੁਝ ਬੋਲਣ ਤੋਂ ਪਹਿਲਾਂ, ਇਹ ਮੇਰਾ ਕਿਰਦਾਰ ਦੱਸੇ ।

ਕਿ ਬੁਰੇ ਭਲੇ ਕੰਮਾਂ ਦੀ, ਇਹਨੂੰ ਸੋਚ ਕੇ ਹੱਦ ਬੰਨ੍ਹਾ ।

ਮੈਂ ਰੋਜ਼ ਪੱਗ ਬੰਨ੍ਹਾ ----------।

ਕਿ ਧੂੰਏਂ ਤੋਂ ਦੂਰ ਰੱਖਦੀ ਹੈ, ਤੇ ਜੂਏ ਤੋਂ ਦੂਰ ਰੱਖਦੀ ਹੈ।

ਇਹ ਦੀ ਸੀਦ ਚ ਮੇਰੀ ਜ਼ੁਬਾਨ ਹੈ, ਇਹ ਮੈਨੂੰ ਦੇ ਮੂੰਹੋ ਤੋਂ ਦੂਰ ਰੱਖਦੀ ਹੈ ।

ਕਿ ਨਸ਼ੇ ਭਾਵੇਂ ਗੁਆਂਢ ਚ ਹੋਣ, ਮੈਂ ਨਸ਼ਿਆਂ ਤੋਂ ਸਰਹੱਦ ਬੰਨ੍ਹਾ ।

ਮੈਂ ਰੋਜ਼ ਪੱਗ ਬੰਨ੍ਹਾ ------।

ਇਹ ਬੇਚ ਨਹੀਂ ਹੁੰਦੀ , ਇਹਨੂੰ ਮਾਣ ਕਿਹਾ ਜਾਂਦਾ ।

ਅੱਜਕੱਲ੍ਹ ਬੰਨ੍ਹਣਾ ਇਹਨੂੰ ,ਅਹਿਸਾਨ ਕਿਹਾ ਜਾਂਦਾ ।

ਇਹਨੂੰ ਸਾਂਭਣਾ ਸਾਡੀ ਜ਼ਿਮੇਵਾਰੀ ਹੈ, ਏਦਾਂ ਸਮਝੋ ਕੇ ਆਪਣਾ ਹੱਕ ਬੰਨ੍ਹਾ ।

ਮੈਂ ਰੋਜ਼ ਪੱਗ ਬੰਨ੍ਹਾ --------।

ਕਿ ਜੇ ਮੈਂ ਜੱਚਾ, ਤਾਂ ਮੈਨੂੰ ਦੂਣਾ ਜਚਾਵੇ।

ਬਾਹਰੋਂ ਵੀ ਬੰਦਾ ਫਬੇ ਤਾ ਹੀਂ ,ਜਦ ਤਕ ਉਹਨੂੰ ਅੰਦਰੋਂ ਨਾ ਜਚਾਵੇ ।

ਕਿ ਫਿੱਕੇ ਰੰਗ ਕਦੇ ਕਦੇ , ਗੂੜ੍ਹੇ ਥੋੜ੍ਹੇ ਵੱਧ ਬੰਨ੍ਹਾ ।

ਮੈਂ ਰੋਜ਼ ਪੱਗ ਬੰਨ੍ਹਾ --------।

ਕਿ ਜੀਹਨੇ ਬਖਸ਼ੀ ਪੱਗ, ਤੇ ਉਹਨੇ ਹੀ ਬਖਸ਼ੀ ਕਲਮ ਹੈ।

ਇਕ ਬਣਾਵੇ ਦਲੇਰ, ਤੇ ਦੂਜਾ ਰੱਖਦੀ ਨਰਮ ਹੈ ।

ਕਿ ਟੌਹਰ ਨਾਲ ਪੱਗ , ਤੇ ਕਵਿਤਾਵਾਂ ਨਾਲ ਜੱਗ ਬੰਨ੍ਹਾ ।

ਮੈਂ ਰੋਜ਼ ਪੱਗ ਬੰਨ੍ਹਾ--------।

PARENT'S CORNER

A HUMBLE TRY AND BEST WISHES FOR 'SIMRAN'

THE HOPE FOR THE FUTURE

O Little children, petals of flower;
You all have the blessing that almighty does shower.
Our dear Lord doesn't appear himself,
So he spreads his blessings in every little self.
The great oceans that are filled in blue,
The air that keeps our lives through.
The birds that chant in the trees so bright,
The beautiful meadows which catch our sight.
The slopy hills which are covered in greens,
The friendly trees which give all we need.
But O' dear Children we have misused those,
These beauties are going don't keep your eyes closed.
The greens are vanishing as we make house and roads,
The 'COALS' nearly gone and the 'OIL' follows.
The water now has poisons and the whales do cry,
If we enjoy '5G', the birds won't fly!
The soils have chemicals and the veggies are sad,
The air is poisonous and health turns bad.
O' dear Children, our only hope is YOU;
Mother Nature is crying, something you need to do!!
Plant more trees and the air will laugh,
Don't waste water, it isn't that tough.
Turn off the fan light when you don't need,
Conserve the energy, that's a worthy deed.
As eyes, nose, ears are our body parts;
Land, water, trees are nature's body parts.
Let's keep our nature always smiling,
That is the way to get Almighty's blessing.
Love You Children.
