## E- BULLETIN

## (KINDERGARTEN SECTION)

## JANUARY, 2026

### From the desk of our Respected Principal Ma'am,

January is a sacred pause in the flow of time—a reminder that every ending is also a beginning. It offers us the opportunity to reflect quietly on our journey so far, to express gratitude for lessons learned, and to move forward with renewed faith, clarity, and purpose.

In the midst of our academic goals and daily responsibilities, this month invites us to look inward. True education is not only about sharpening the intellect, but also about nurturing the spirit. When the mind is disciplined, the heart is compassionate, and actions are guided by values, learning becomes meaningful and life becomes balanced.

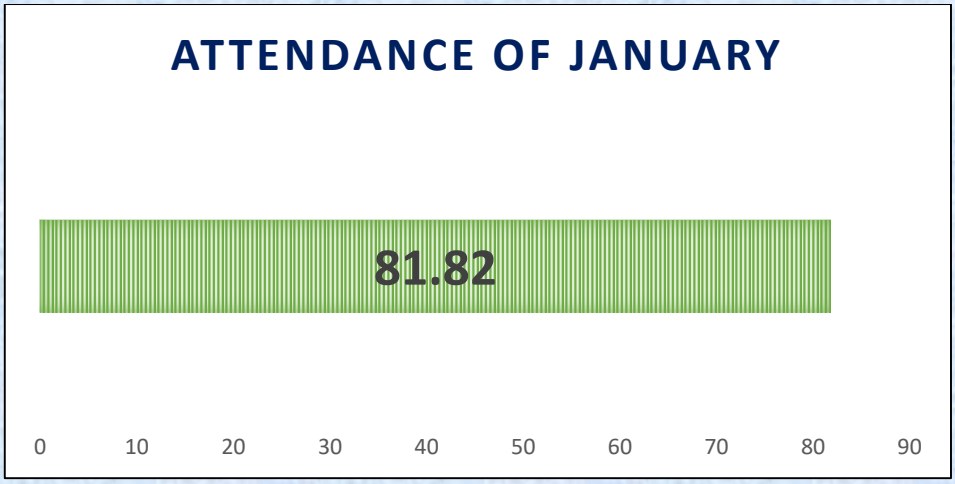

At our school, we strive to create an environment where inner growth walks hand in hand with academic progress. We encourage our students to cultivate patience along with perseverance, humility along with achievement, and empathy along with excellence. These qualities help them face challenges with strength and success with grace.

I extend my sincere appreciation to our teachers, whose dedication goes beyond teaching subjects and touches lives. To our parents, thank you for being our partners in guiding children with wisdom and love. And to our dear students—remember that every day is an opportunity to grow not only smarter, but wiser.

As we begin this New Year, may we move forward with calm minds, kind hearts, and purposeful actions.

"When our actions are rooted in values and our thoughts guided by purpose, every step becomes a step forward."

**-Dr. Gurmeet Kaur Arjani**

# NURSERY

## Activity on Guru Govind Singh Jayanti

The Nursery children celebrated Guru Gobind Singh Ji Jayanti with joy and respect. The teacher told the children a short story about Guru Gobind Singh Ji and his kindness, bravery, and love for all. The children listened attentively and learned that he taught us to be truthful, brave, and helpful. They pasted a picture of Guru Gobind Singh Ji in their scrap book with great respect.

## Winter circle time

During winter, children enjoy fun activities under the warm sunshine. Sitting and playing in the sun keeps them healthy and active. Simple games, exercises and free play make them happy and energetic. Sunlight also helps children feel fresh and cheerful during the winter season.

## Activity on Vivekananda Jayanti

The nursery children celebrated Swami Vivekananda Jayanti with happiness and enthusiasm. The teacher told the children about Swami Vivekananda and his love for children, learning, and good values. The children learned that he taught us to be confident, kind, and respectful and showed respect by pasting his picture.

## Activity on Makar Sankranti

**The toddlers of Nursery section celebrated Makar Sankranti with great joy by participating in a kite making activity. The teacher explained the importance of the festival and how people celebrate it by flying colorful kites.**

**The children made beautiful paper kites using bright colors, stickers, and ribbons. They enjoyed decorating their kites and proudly showed their creations to their friends. Through this activity, the children developed creativity, fine motor skills, and learned about our cultural festival**

## Activity on Republic Day

**To celebrate Republic Day, the Nursery children participated in a joyful paper folding craft activity. The little ones created the Indian National Flag using simple folding techniques and tricolour colouring. With great enthusiasm, they coloured the paper in saffron, white, and green, and added the Ashoka Chakra in blue.**

**This activity helped develop fine motor skills, creativity, and colour recognition while introducing children to the importance of our national flag and Republic Day. The classroom was filled with excitement as the children proudly displayed their handmade flags, making the celebration meaningful and memorable.**

# KG

# IKROOP 2025-26

Our beloved students Aadrika Dey and Drik Biswas participated in the *IKROOP (Interschool Competition) One-on-One Role Play with their Mentors Ashima Banerjee and Rita Biswas, presenting a creative and meaningful performance based on the characters Apple (Fruit) and Carrot (Vegetable). Their role play beautifully highlighted the importance of fruits and vegetables in maintaining a healthy lifestyle. With clear dialogue, confident expressions, and a strong message, they impressed both the judges and the audience. Their outstanding performance earned them Second Position in the competition.

We congratulate them on their commendable achievement and confident stage presence.
