KHALSA MODEL SENIOR SECONDARY SCHOOL

E-BULLETIN (SENIOR SECTION)

DECEMBER, 2025

From the Desk of our Respected Principal Ma'am,

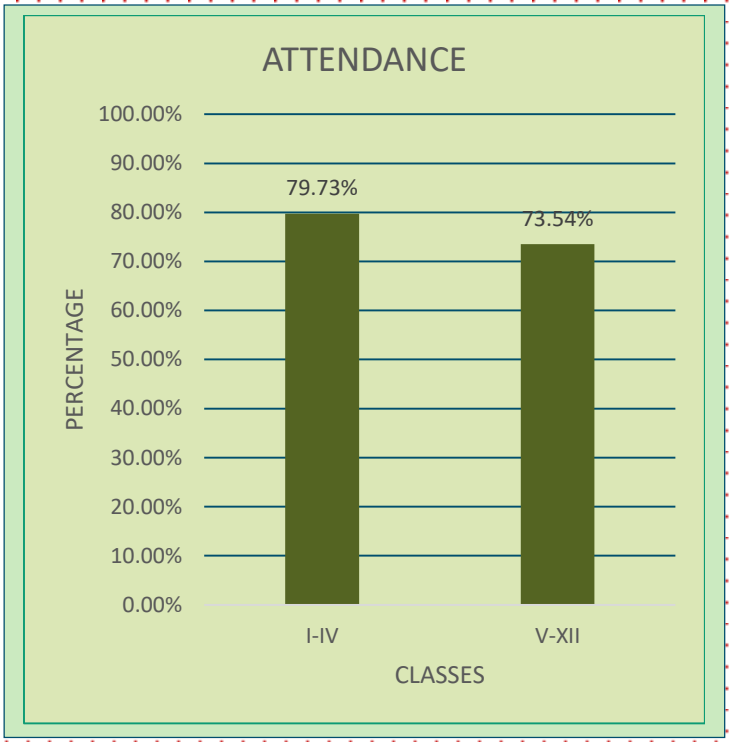

The month of December witnessed the vibrant celebration of our Annual Sports Day, reflecting the timeless values that form the foundation of our culture. As students competed with resolve, cooperated with humility, and encouraged one another, a profound truth became evident—individually we strive, together we rise.

Indian wisdom has always upheld the power of collective effort, reminding us that harmony, discipline, and shared responsibility lead to true progress. The lessons learned on the sports field echo in everyday life, shaping character, strengthening relationships, and guiding young minds to grow not just as achievers, but as compassionate and conscientious individuals.

◀SUMMARY OF ACTIVITIES▶

December arrives with energy and excitement as our school celebrates the much-awaited Annual Sports Day. It is a month that highlights teamwork, discipline and the true spirit of sportsmanship while closing the year on an active note.

The school ground wore a festive look as students, teachers and parents gathered to witness this grand event. The programme began with a colourful march past by the four houses, followed by the hoisting of the school flag and lighting of the torch. The opening ceremony inspired everyone and set the tone for a day full of action and determination. Our respected Principal ma'am encouraged the students to participate wholeheartedly and reminded us that winning is important, but participation and discipline matter the most. The Annual Sports Day was filled with excitement as students enthusiastically participated in various races. Each race showcased speed, coordination and teamwork, making the event lively and memorable for everyone. The day ended on a joyful note, leaving behind unforgettable memories and inspiring all to strive for excellence both on and off the field.

The annual school picnic, an eagerly anticipated occasion, was also arranged by KMSSS. The scenic venue provided an ideal backdrop for outdoor fun, allowing students to relax and interact outside the usual classroom environment. Our dedicated faculty engaged in professional development workshops, designed to enhance teaching strategies and pedagogical skills. In addition to these events, the school celebrated linguistic diversity with vibrant language festivals which further provided a platform for students to express creativity.

Together, these events exemplified a balanced blend of recreation, professional growth, and cultural celebration, contributing to a dynamic and enriching school environment.
