KHALSA MODEL SENIOR SECONDARY SCHOOL

E-BULLETIN (SENIOR SECTION)

MAY-JUNE, 2026

From the Desk of our Respected Principal Ma'am,

The months of May and June were a reflection of our school's commitment to excellence, holistic development, and responsible citizenship. While our students continued to pursue academic excellence with dedication and enthusiasm, they also actively participated in activities that nurtured values beyond the classroom.

The observance of World Environment Day inspired our students to reaffirm their commitment towards protecting the environment through awareness campaigns and eco-friendly initiatives. The celebration of International Yoga Day encouraged everyone to embrace a healthy lifestyle, highlighting the importance of physical fitness, mental well-being, and inner balance.

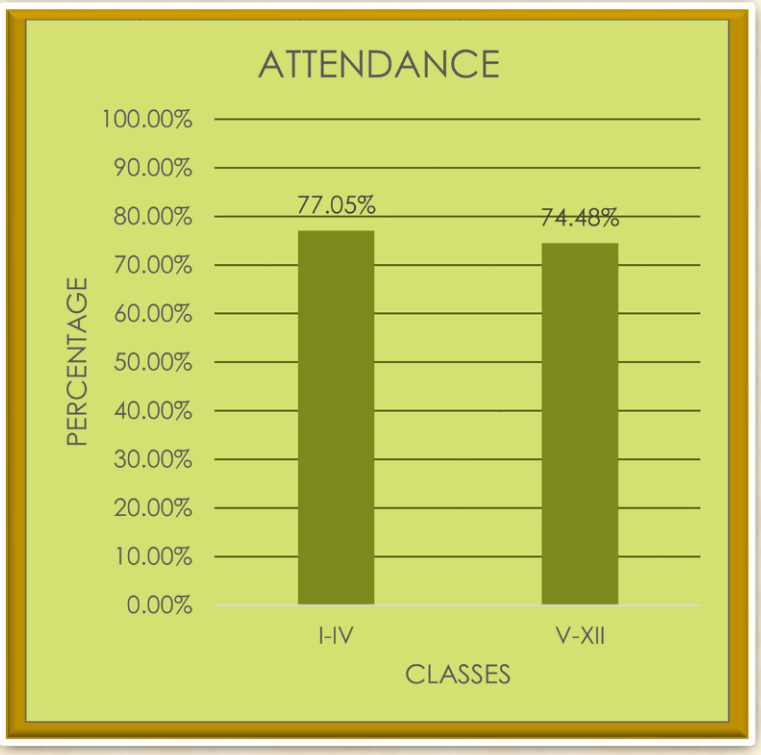

We also take pride in the academic achievements of our students, whose hard work, perseverance, and determination continue to bring laurels to the school. These accomplishments reflect the collective efforts of our dedicated teachers, supportive parents, and motivated learners.

As we move forward, let us continue to learn with curiosity, lead with compassion, and work together to build a future rooted in knowledge, values, and responsibility.

-Dr Gurmeet Kaur Arjani
