E- BULLETIN

(KINDERGARTEN SECTION)

FEBRUARY-MARCH, 2026

From the desk of our Respected Principal Ma'am,

As we journeyed through the months of February and March, we witnessed a remarkable spirit of dedication, resilience, and growth among our students. This period was not just about examinations, but about perseverance, self-belief, and the courage to give one's best.

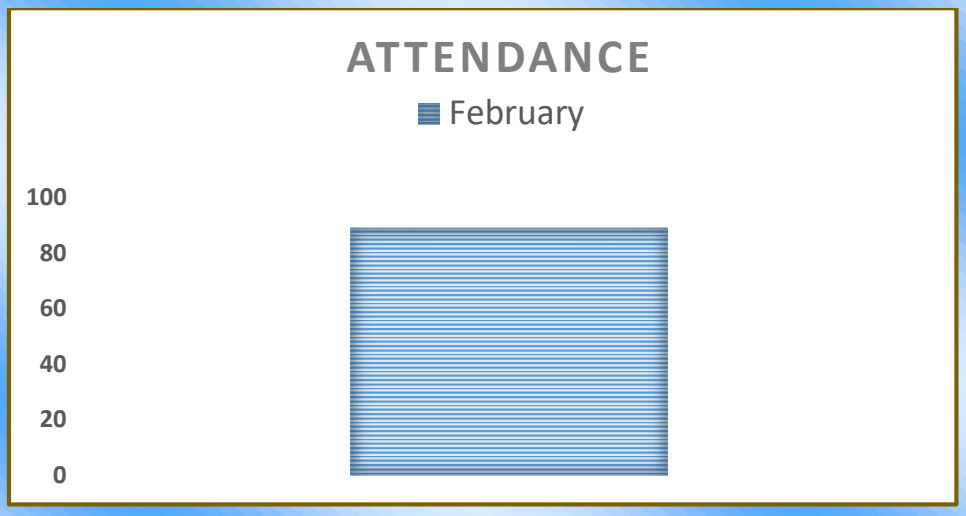

Our students rose to the challenge with focus and determination, turning hard work into meaningful progress. It was truly inspiring to see them stay committed, even in moments of pressure.

I deeply appreciate the unwavering support of our teachers and parents, whose guidance and encouragement made this journey smoother and more meaningful.

As we concluded the academic session, let us carry forward the lessons learned—not just from books, but from experiences that shaped confidence, character, and strength.

Because true success lies not only in what we achieved, but in who we became along the way.

SPACE ON WHEELS

Our smart and talented student, Aadrika Dey, confidently performed the role of Mars in the “ISRO Space Mission Adventure” Role Play under the guidance of her mentors, Rita Biswas and Shilpa Das. She beautifully portrayed the “Red Planet” and highlighted ISRO’s remarkable achievement of the Mars Orbiter Mission (Mangalyaan). Her performance was confident, expressive, and truly inspiring, showcasing India’s excellence in space research.

FOUNDATION DAY

Students performed a dance drama to spread awareness about the use of social media. Through their expressive performance they highlighted the positive and negative effects of social media and encouraged everyone to use it wisely and safely.

GRATITUDE DAY

UKG tiny tots enjoyed making Book Mark for all the teachers of Kindergarten showing their gratitude to them. They have reciprocated that they were all grateful for everything while handing over the book mark to each and every mentor from Nursery to UKG before their transition to class 1.Teachers got emotional by getting such invaluable gift from them. We have named that day (February 12th) as Gratitude Day.
