AUGUST, 2026

From the desk of our Respected Principal Ma'am

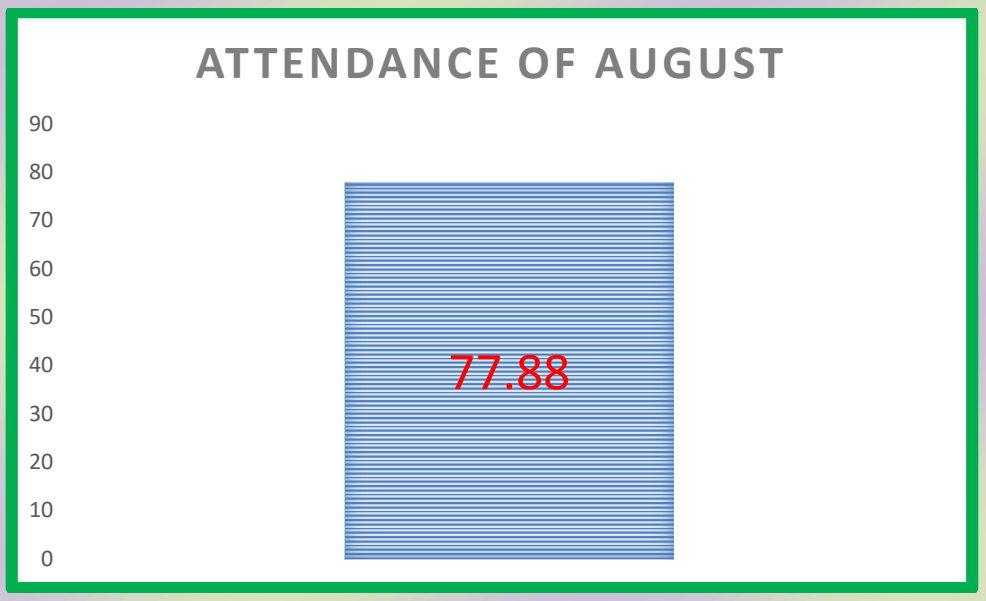

August has been a month of vibrant energy, proud reflection, and collective momentum across our school community. As we walked through the corridors this past month, the atmosphere was charged with a heightened sense of purpose and pride. August naturally prompts us to look outward at the world around us and inward at the responsibilities we carry as individuals and as a community. It serves as a powerful reminder that growth is not just an individual pursuit, but a shared journey.

Education finds its true meaning when knowledge is paired with action. Throughout this month, our students demonstrated that excellence is built on daily commitment—whether in mastering complex classroom concepts, collaborating on creative projects, or stepping up to support their peers. True leadership begins in these small, consistent moments of effort, integrity, and mutual respect.

To our students, remember that real progress is not measured by single milestones, but by the dedication you bring to each day. Keep striving, support one another, and continue to channel your energy into meaningful pursuits.

"Great achievements are not born from sudden bursts of effort, but from the steady strength of daily purpose."

Dr. Gurmeet Kaur Arjani

NURSERY

Independence day Activity

As part of the Independence Day celebration, the children of class Nursery enthusiastically participated in a creative activity. They colored the Indian National Flag in their Art and Craft book and also made beautiful tri-color butterflies. The children enjoyed the activity and celebrated this special day with great enthusiasm, joy, and excitement.

Rakhi Activity

During the Raksha Bandhan activity, the children of Class Nursery made rakhis using colourful pieces of cloth and paper. They creatively decorated their rakhis with various decorative items, making them look attractive and colourful.

KG

Independence day Activity

Our KG children celebrated Independence Day with a fun Flag Making and Craft Activity. IN They creatively made tricolor flags while learning about the significance of our National Flag. The activity encouraged patriotism, creativity, and fine motor skills among the little ones.

Rakhi Activity

The KG children enjoyed a creative Paper Rakhi Making Activity, where they made colourful and beautiful rakhis using paper and decorative materials. The activity encouraged their creativity, fine motor skills, and understanding of the joy of celebrating Raksha Bandhan.

UKG

Independence day Activity

UKG students made our National flag using orange, white, and green craft papers and a blue Ashok Chakra. We pasted it on the first page of the scrapbook for the theme Independence Day.

Rakhi Activity

The whole classroom was filled with creativity and happiness. All the Rakhis were displayed on the display board. This activity helped children learn about our Indian culture and the beautiful bond of love between brother and sister.

STORY TELLING COMPETITION

An inter house story telling competition was held on 8th August where the young orators showed remarkable talents. They used creative props, voice modulation, gestures, and facial expression to make the story telling more interesting and lively. The competition helped them to build speaking skills, confidence and overcome stage fear.
