E-Bulletin for the month of July, 2023

SENIOR SECTION

From the desk of our Respected Principal Ma'am ...

INVESTING IN OUR PLANET

People and the planet are only as healthy as the ecosystems we all depend on. Bringing degraded ecosystems back to life increases their benefits to society and biodiversity. Without reviving ecosystems, we cannot achieve the Sustainable Development Goals. To encourage the revival of ecosystems range of actions that can slow and halt the degradation of ecosystems and foster their recovery.

Humans evolved to grow and thrive in natural environments. It's time to cure "nature deficit disorder" in our kids by giving "nature time"—not just studying and extracurricular time—the importance it deserves. At Khalsa the students and staff are engaged in activities of restoring nature in their little way by sensitizing, creating awareness and undertaking nature projects, etc.
Let us recommit to investing in our planet together — combining our resources, drawing upon our diverse strengths, and working together to build a healthier and more resilient world for all of us.

-Dr. Gurmeet Kaur Arjani

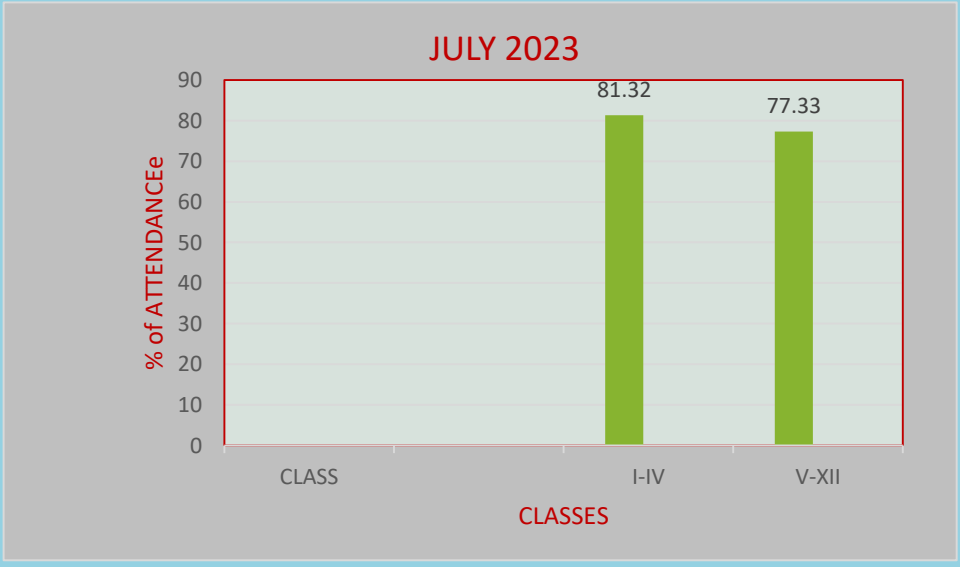

Activities during the month of July

July in India experiences monsoon in full swing. Many poets and writers have written a lot about Varsha Ritu. Most of India is moist during this time but there are volley of celebrations during this month. It initiated with Doctor's Day - the birth and death anniversary of the eminent Doctor Bidhan Chandra Roy. The month concludes with the birth anniversary of Munshi Premchand - the renowned Hindi writer and novelist. Our school KMSSS under the guidance of our respected Principal Ma'am with active participation of our students and teachers left no stone unturned to commemorate each and every occasion in glorious grandeur. Let's delve into the e bulletin of July 2023 and witness the extraordinary celebrations which our school has performed.

On 26 th of July, Amradip Roy of Class XI D and Krishna Prasad of Class XI B got a great opportunity to visit the Governor's House which was arranged by the renowned publishing group, "The Times of India".

Kargil Vijay Diwas is celebrated every year on 26th July in India, to observe India's victory over Pakistan in the Kargil War for ousting Pakistani Forces from their occupied positions on the mountain tops of Northern Kargil District in Ladakh in 1999. Initially, the Pakistani army denied their involvement in the war, claiming that it was caused by Kashmiri militants.

We also commemorated this day in our school with active participation of our pro- active students and teachers.

On 26 th July, fifteen students of higher classes along with one of their Science teachers participated in Education USA KOLKATA ROADSHOW 2023 held in Indian Statistical Institute .
Students interacted with the admission staff of prestigious U.S. Universities to get information on Master's and Phd Programs.
One of the students among them, shared his experience in the Morning Assembly to guide and motivate other students.

The Children of Interact Club of Khalsa participated in a noble work. They visited “Snehneer Home”(Hope Foundation) on 28.7.2023 where they donated stationery, clothes and spent quality time with children. The school whole heartedly participated in this Donation. The children happily carried out the social work and brought smile on the faces of the underprivileged.

Eight students of Class IX participated in FESTIVAL OF PHYSICS on 31.07.23.
Topic of the Day was Experiment on Thermal Physics.

COUNSELLING ACTIVITIES DURING THE MONTH

Our school has started life skill classes for classes I-V in the month of July. The classes are being conducted once a month. The various kinds of topics like personal safety, body boundary, accepting and respecting difference, empathy was explained to the students in age-appropriate ways through various activities.

For a few sections of class VII storytelling, real-life problem-solving activities were done to develop empathy in students.

Group counselling sessions were conducted for the students of classes IX-X. The topic of the month was "team building and leadership". Students enjoyed playing lost in the sea- team building game. Other leadership activities like " imagine yourself as a leader", "qualities of your dream leader"/ the character trait that you would like to see in your leader" were done in the class to build the ideas about an efficient leader.

ACTIVITIES IN LIBRARY DURING THE MONTH

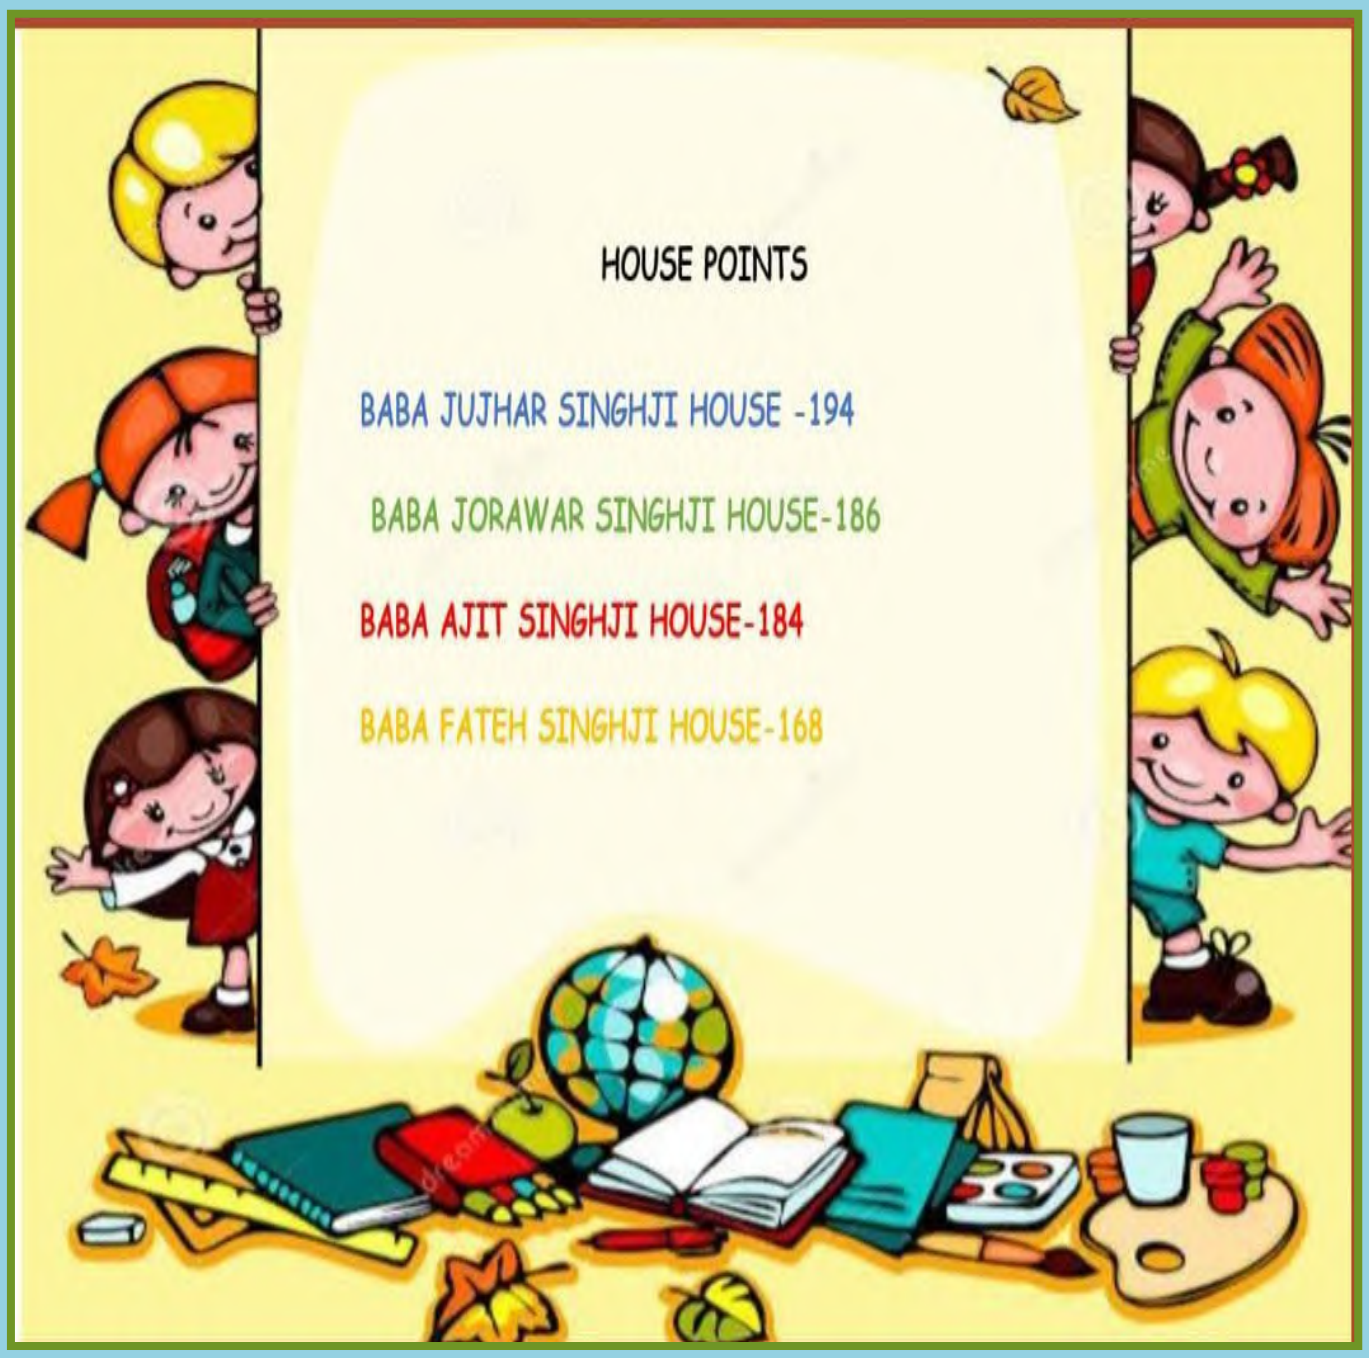

Students are engrossed in reading books and periodicals during the Library period. This enhances their reading ability and creative skills.
