KHALSA MODEL SENIOR SECONDARY SCHOOL

E-BULLETIN (SENIOR SECTION)

NOVEMBER, 2025

From the Desk of our Respected Principal Ma'am,

November reminds us that learning is a continuous journey. Each day offers a fresh opportunity to grow, to set new goals, and to build a better version of ourselves. As the weather turns pleasant and the academic year progresses, let us continue to nurture a school environment where curiosity thrives, kindness is valued, and every learner feels seen and supported.

This month holds special significance as we celebrate Children's Day, honouring the immense potential, creativity, and innocence of every child. It is also a reminder to us educators and parents to protect their joy, support their dreams, and guide them with patience and positivity.

As we move forward, let us keep three intentions close to our hearts:

Learn with focus

Work with sincerity

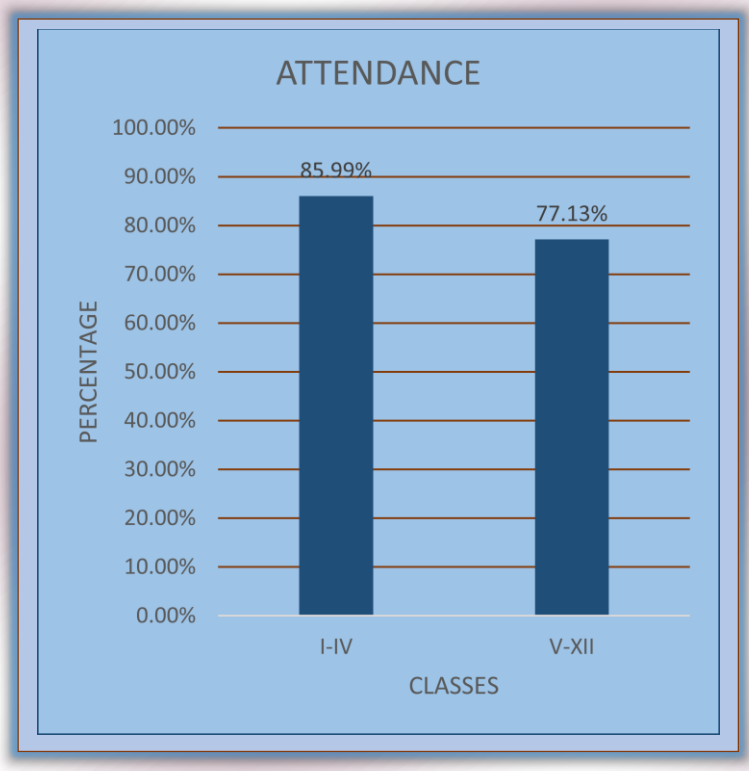

Live with gratitude

I encourage every student to stay consistent in studies, participate confidently in activities, and take care of their physical and emotional well-being. To our teachers and parents — thank you for your tireless dedication in shaping young minds and nurturing responsible citizens.

-Dr Gurmeet Kaur Arjani
