KHALSA MODEL KINDERGARTEN SCHOOL

E- BULLETIN

(KINDERGARTEN SECTION)

SEPT-OCT, 2026

From the desk of our Respected Principal Ma'am

As we reflect on the months of September and October, we are reminded that education is a continuous journey of learning, growth and self-discovery. These months have been filled with meaningful experiences, enriching activities and opportunities that have encouraged our students to explore their potential beyond the boundaries of the classroom.

At Khalsa Model Senior Secondary School, we firmly believe that true education goes beyond academic achievement. It is about nurturing responsible individuals who demonstrate compassion, confidence, discipline, creativity and a strong sense of purpose. Every activity, celebration, competition and classroom interaction contributes to shaping these values.

Our endeavour remains to create an environment where curiosity is encouraged, talents are recognised, differences are respected and every learner feels valued. As we continue to embrace the vision of NEP 2020, we strive to make learning more experiential, inclusive, skill-oriented and relevant to the changing world.

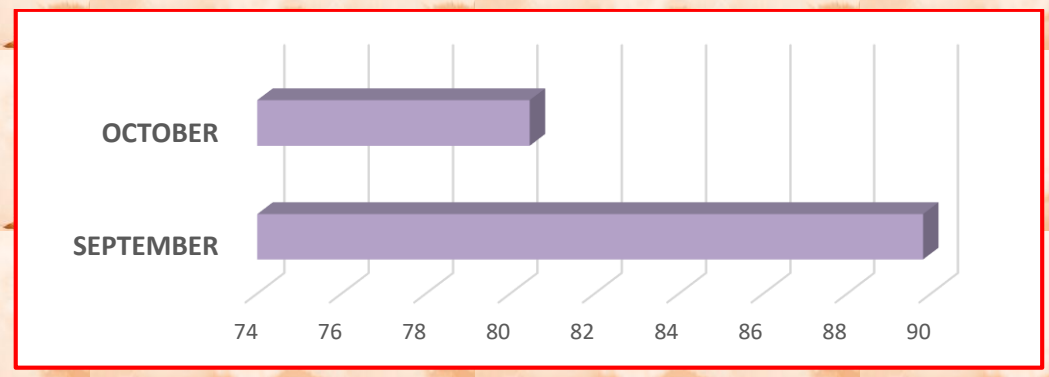

I encourage our students to remain enthusiastic learners, embrace challenges with courage and treat every experience as an opportunity to grow. To our dedicated teachers, I extend my heartfelt appreciation for their commitment and tireless efforts. I also thank our parents for their continued trust, encouragement and partnership in this shared journey.

Let us continue to move forward with determination, kindness and the spirit of Chardi Kala—ever-rising optimism.

Nishchay Kar Apni Jeet Karo!
