E-Bulletin for the month of AUGUST, 2023

SENIOR SECTION

From the desk of our Respected Principal Ma'am ...

Sustainable Development Goals

The SDGs are universal goals for all people and are inherently global in nature. Students need to learn about the world and education for sustainable development which promotes the development of the knowledge, skills, understanding, values and actions required to create a sustainable world. In a way it ensures environmental protection and conservation, promotes social equity and encourages economic sustainability.

Learning about these initiatives helps students develop insights into critical issues around the world, such as lack of access to clean water and gender equality. Students should be aware that their involvement in sustainability initiatives is welcomed and encouraged, and that there are a lot of opportunities to do this at various levels and in a variety of ways.

Khalsa has taken initiative in making the students aware of the SDGs by linking sustainability projects to academics, making connections to school events. Teachers have a very important role to play as a teacher educator who sows the seeds of sustainable development among his/ her students then its roots will be deeply penetrate in the society. Simply put, sustainability is about small changes we can make to help look after the planet.

-Dr. Gurmeet Kaur Arjani

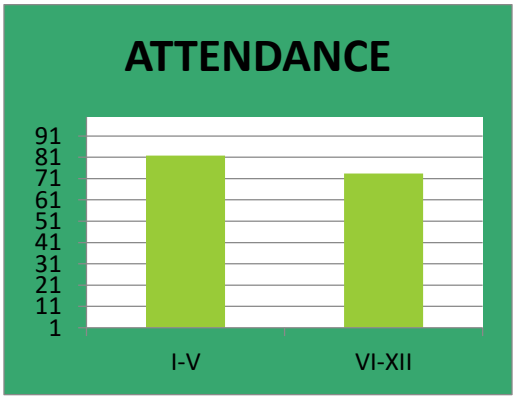

ACTIVITES DURING THE MONTH OF AUGUST' 2023

The word 'August' in itself means magnificent or majestic. August originates from Augustus Caesar, the first emperor of the Roman Empire. The month signifies something royal or regal or esteemed. In this month our KMSSS family has also increasingly took the lead and is heading to take cognisance of the various performances and celebrations. The exclusive interaction began with the Festival of Physics at Birla Industrial and Technical Museum, with increased participation of workshop on First Aid, Inter School Debate Competition. Pre - celebration of Hiroshima Nagasaki Day, Poster Making, Skit performance on Quit India Movement, Essay writing and many more concluding with Inter School Football Celebration. The multi perception celebration was the Independence Day performance by our KMSSS students which created a soul stirring and heart felt tribute to the profound heritage of our nation. Our KMSSS under the mentorship and guidance of our esteemed Principal Ma'am showcased the latent talents of our students and teachers. The events added a beautiful melodic layer which is an immense pride for all of us. So we once again feel proud to resort to reflect the systematic resurgence of novel ideas and creativity of our students and teachers in the form of E bulletin.

ATTENDANCE

The attendance data and graph for the month of AUGUST is shown below.

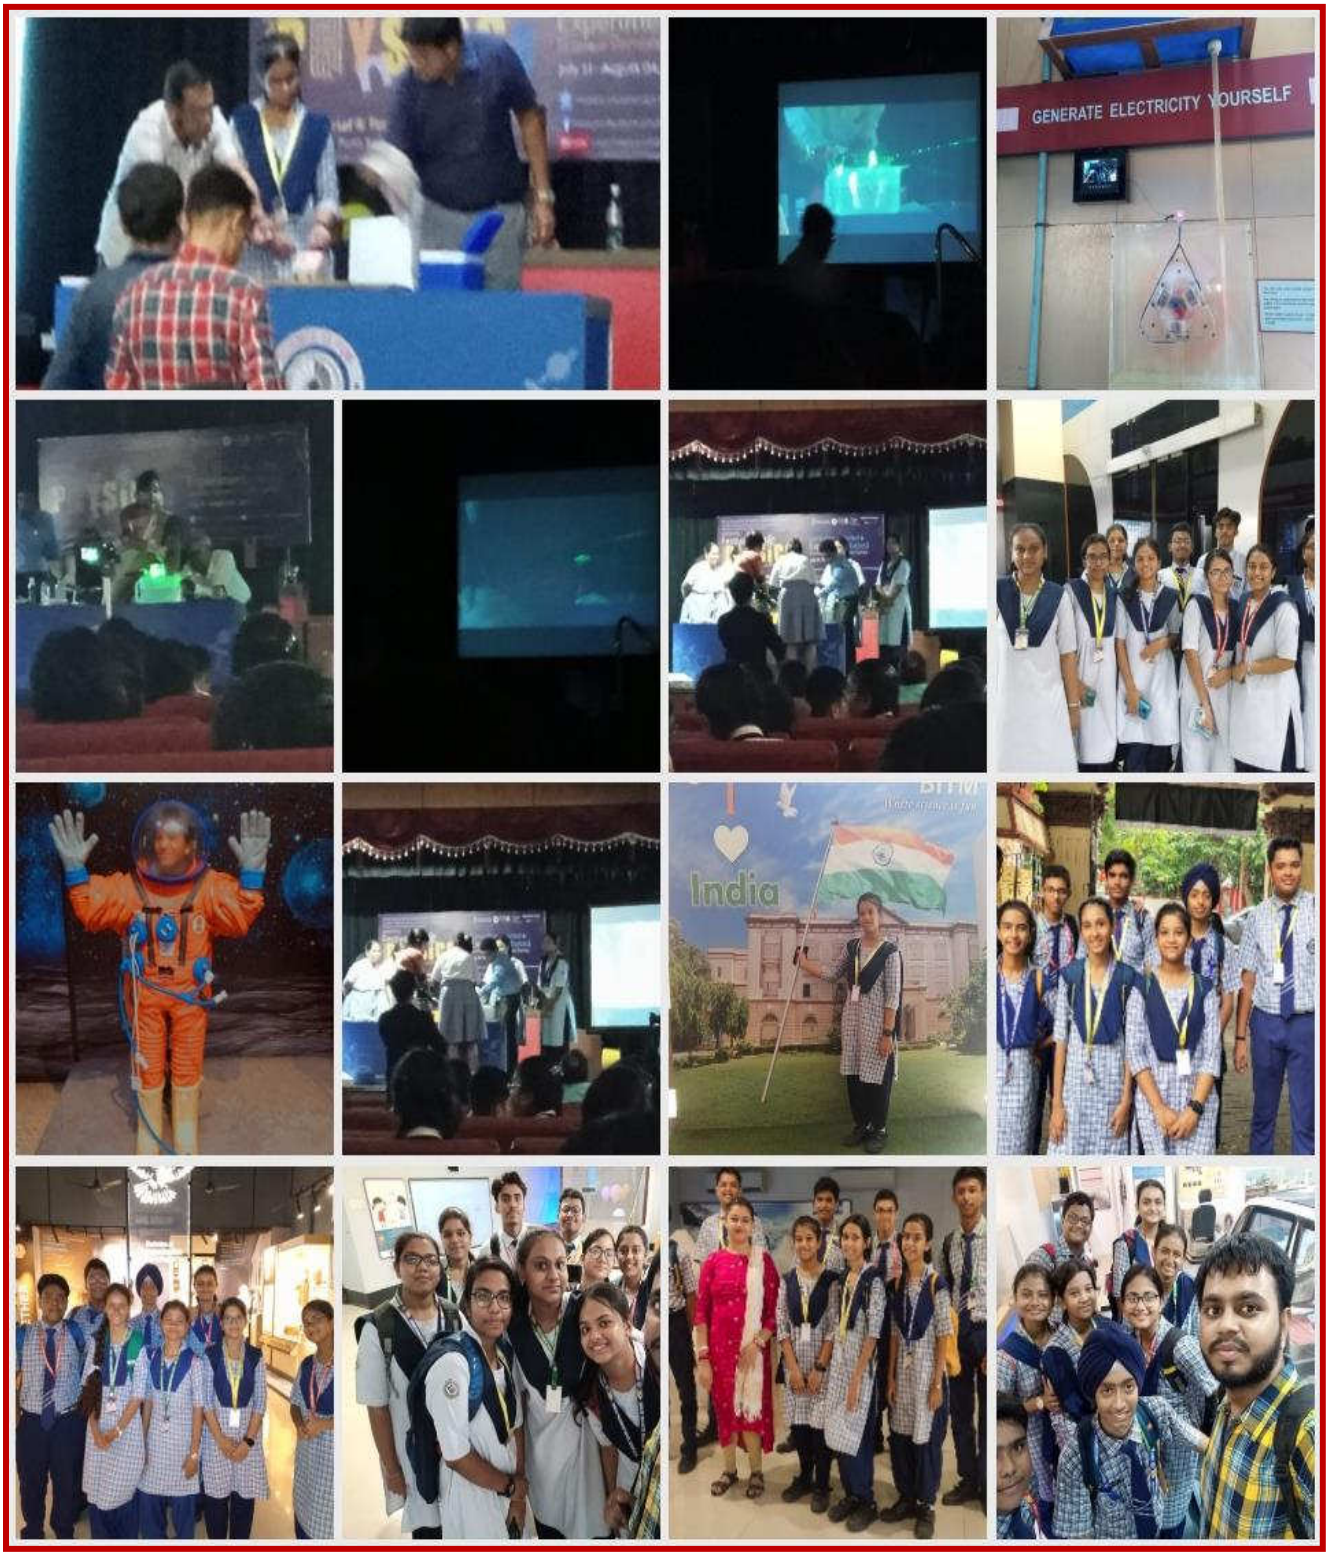

Class	Attendance
I - V	81.82%

For the month of August the topic for life skill classes for Standard I to V was Holding Hands together. The concept was explained by using interactive methods such as storytelling, discussion on various team games etc. Some games on co-operation and were played by the students of standard III-With the help of story the importance of co-operation was explained to them.. In classes IX-X the topic of the month was “career counselling”. Activities like “identify your interest and know your Ikigai “were done to help the students to understand their passion, and purpose of life which are equally important as skills for career choice. Other important factors such as societal pressure and values were also discussed. Career options in the field of Sports, Library Science and Psychology were discussed in collaboration with the teachers of the above-mentioned field. The students were happy and excited after knowing the fact that there are plenty of lucrative career options beyond the field of science and commerce. During this month students also discussed the importance of good mental health and the role of mental health professionals in this process.

This time individual counselling sessions were done for classes I-XII on the basis of need.

ACTIVITIES IN LIBRARY DURING THIS MONTH

Our students are busy in reading books and magazines .By incorporating reading as a habit proves to improve their vocabulary ad comprehension skill. Our students are engrossed in reading books which helps them increase their concentration.

ਤੂ ਕਾਹੇ ਡੋਲਹਿ ਪ੍ਰਾਣੀਆ ਤੁਧ ਰਾਖੇਗਾ ਸਿਰਜਣਹਾਰੁ ।।
ਜਿਨਿ ਪੈਦਾਇਸਿ ਤੂੰ ਕੀਆ ਸੋਈ ਦੇਇ ਆਧਾਰੁ ।।੧।।

Why do waver, O mortal being? The creator Lord Himself shall protect you.
He who created you will also provide nourishment & support
